

2010 St. John Block Party Volunteer Registration

**THANK YOU for helping St. John the Evangelist Church once again host thousands of our neighbors at
The St. John's Block Party, July 9 and 10, 2010.**

The Block Party: The St. John's Block Party is an event for families, seniors, singles, and everyone interested in coming together for a celebration of harmony, humanity and peace. Our purpose is to provide an opportunity for you to enjoy the gift of music and community with friends across southern Minnesota.

Every volunteer is essential to the success of hosting the Block Party. Your time, effort, and talent not only help to host an amazing day filled with music, fun, and fellowship, but continues on in providing much needed aide to many local Rochester organizations through the proceeds of the Block Party event. In the six years of St. John's Block Party history, more than \$80,000 has been donated to organizations in need.
